

Oxford's Mathematical Institute now has up to 50 fully funded studentships available for doctoral degrees. All home, EU and overseas applicants are eligible to apply.\*

Mathematical  
Institute

# Looking for a PhD in maths? Looking for funding?

Ranked first in the UK for research in mathematical sciences

We research a broad range of areas spanning the entire spectrum of mathematics

Located in state-of-the-art facilities in central Oxford

Three PhD courses:

DPhil in Mathematics\*\*

EPSRC CDT in Industrially Focused Mathematical Modelling

EPSRC CDT in Partial Differential Equations

**InFoMM**  
Industrially Focused  
Mathematical Modelling

**CDT**  
**PDE**  
EPSRC Centre for Doctoral  
Training in Partial  
Differential Equations

Oxford  
Mathematics
